FARMER TRACK SQUAD LOOKS GOOD THIS YEAR.

Warm Weather Has Put Field and Fender Path Men in Good Early Condition.

H. E. Rothe, captain of the A, and M. track team, believes that the track men at College Station are in better condition this season than ever before and that the season's outlook is indeed promising.

Settgast, the Houston boy who made his letter both this year and last in football and basket ball, is out for the weights. His discs and hammer throws are above the average. Nick Braumiller and P. G. Haines are also working with him and the three should make much headway toward winning the coming meet.

The last week of this month the Aggies get Oklahoma to participate in a triangular meet with Varsity and the University of Oklahoma. There has been much improvement in the work of the men since the season opened and Director Driver is very optimistic over the outcome of the meet.

BOND ISSUE DEFEATED.

According to the poll tax receipts we are over eight hundred votes short. Still there were plenty, and a whole lot to spare, for continued bad roads for Madison County. Taking the vote was the only way to know how the people stood on the proposition and all should be satisfied, and we are. Here's to you until the next time.—Madisonville Meteor.
